RE: APPLICATION FOR NACOSTI LICENSE

This is to inform you that the Director Board of Post Graduate Studies (BPS) JKUAT will be issuing the introductory letters for submission to NACOSTI for the issuance of the license. Students shall be required to make formal applications Four (4) original applications to the attention of the Director BPS, through their respective Deans i.e., School of Public Health or School of Pharmacy or School of Biomedical sciences and through the Ag. Deputy Director, Graduate School.

The application letters should include the title of the proposal, duration of the study, location, and county of the study. Attach a copy of the admission letter to the applications and submit to graduate school annex for further action.

Once the approval has been issued by Director BPS the students will be notified to collect their letters and submit to NACOSTI.

NB: Students are encouraged to make their applications at least a month in advance so that they have the approvals in good time.

In case of further clarifications feel free to get in touch with the school on email graduateschool@kemri.go.ke

Yours Faithfully,

Martin Bundi, PhD
Ag. Deputy Director Academic Affairs
Graduate School
